2/20: TFLC Lunch Meeting (Gober)

2/27: TFLC Lunch Meeting (Gober)

We would like to thank everyone that helped to make this year's TFLC Reverse Raffle a success.

Please welcome our newest member, Lauren Ballard. Her sponsor is Mike Hicks and she was inducted by the man, the myth, the legend, George White.

Today Tex Burrows introduced our speaker, Paul Hansen. Paul spoke with us about the Flying Vikings program.

Paul Hansen founded Flying Vikings out of a calling from the Lord. A native of New Jersey, Paul has always wanted to become part of a larger mission and purpose for his life. As a former financier, Paul turned his passion of flying and helping children into a full time commitment. His flying experience extends over twenty years and more than 1000 hours as pilot in command.

Flying Vikings' greatest joy is to assist and help improve the lives of children in our community. This program will touch a child's life and create memories for a lifetime through a 20-30 minutes plane ride.

Seeing children dream with their eyes wide open at 2000 feet is truly magical. The program is designed to immerse children ages 6 to 18 years old with a chronic illness or physical disability into a high flying adventure. Children will be given the opportunity to take the controls of the plane, navigate the sky as they become the pilots. The purpose of the events is to be fun, relaxed, and a positive experience for the children and families. This can only happen through your generous support.

Paul shared numerous stories about his personal experiences with many of the children whose lives have been impacted by his Flying Vikings program.

Their 4th flight ever will be held on Saturday May 18th at the Draughon-Miller Central Texas Regional Airport in Temple.

The flight program is currently based in Belton, Texas.
