Lions Park Board met at Extraco (31st) yesterday and voted to borrow $50,000 to complete our commitment to the City of Temple for the Lions Junction Splash Park. We were hoping to solicit enough bricks/donations to not have to borrow any money. If you are planning to donate for a brick, please do so to lessen this debt obligation.

THIS WEEKS PROGRAM

Lion Elwood Smith introduced Lynn Wooley, syndicated radio talk show host and "Secretary of Logic". He can be heard daily on KTEM 1400.

Mr. Wooley's talk was entertaining and informative but it was varied and difficult to summarize. The central theme or conclusion was that the printed word's (books) existence is threatened by our culture and that our speaker would like to see it preserved. Mr. Wooley discussed his passion for reading and for writing. He has authored and co-authored several books, short stories, and essays in both fiction non-fiction genres. He shared snippets of his career in radio and a few famous people he has come to know through that experience. He discussed the fairness doctrine and how it has affected talk radio. He discussed the U.S. Constitution, the Declaration of Independence, the Articles of the Confederacy, how it feels to personally view those documents, and what a Blessing it is to live in this country, whether native or naturalized. It was a good talk but was hard to record so you really needed to be there.
