THIS WEEKS PROGRAM

Lion Amy Castillo introduced **Kathy Brown** who discussed Plummer Movement Disorder.

THANK YOU, TEMPLE LIONS!!!!

As you well know, this past weekend our club along with the Temple Breakfast Lions Club and the Troy Leo Club hosted the district convention for Dist. 2-X3. I was so impressed by the number of our members who not only attended the convention activities but also those who stepped forward to assist us with the planning and execution of the weekend activities. We had a small group who met almost weekly for a couple of months to plan (along with TBLC). We had more than enough help with set up on Friday at Gober and at the CAC.

I will always be grateful to those who stepped forward to make this such a great success. Thank you. Thank you.
