The New Look!

• On Wednesday, April 29th, we will host our normal Noon Wednesday Club meeting via Zoom. The program will be Dr. Bobby Ott. We have had Dr. Ott as a speaker this year; however, there have been considerable changes throughout the district in response to the COVID-19 pandemic that he will provide an update on. **Please connect to the web meeting by 11:50 a.m. to ensure that you are able to connect and have time to work out any technical issues before Dr. Ott's program.** Boss Lion Lathe Owens will send out instructions for the Zoom meeting via email prior to the meeting.

• Thankfully TFLC members continue to remain healthy and in good spirits (emotionally & otherwise). TFLC 3rd VP David Southerland is no longer in self quarantine; however, his brother Don continues to battle this relentless virus. Please keep David, Don, and their family in your thoughts and prayers.

• After just four days, we have only 10 masks remaining of the original 100 that Bud received from Sue Atkins, so he has requested additional masks. To the right is a photo of Bud delivering the \$300 donation check to Ms. Atkins.

• Some members were not able to view the video that Elwood produced. In summary, as we are all very well aware, there are many households in significant need of assistance. The staff of Fastsigns and Papergraphics is collecting donations for the Love of Christ Food Pantry. With a \$15 donation or more, you will receive a very attractive yard sign promoting the strength of Texas, as well as provide support to the food pantry.
