What happened at the Meeting

David Blackburn - President, Temple Economic Development Corporation & Boss Lion Dennis

Mayor Jim Covington welcomed David Blackburn to present to our club this week. David is the president of the Temple Economic Development Corporation. Their mission is to attract & retain business and industry in the City of Temple and they do this to help grow capital investment in Temple and to help grow jobs! David explained the top three industry sectors in Temple, which are Health Care & Social Assistance, Educational Services, and Retail Trade. Over the next 10 years, he said, employment in Temple is projected to expand by 11,252 jobs. We aren't complaining about that!!! He also explained the many changes and challenges that retail is currently undergoing. While online sales are growing, 90 % of all U.S. retail sales will still occur in a brick-and-mortar site.
