THIS WEEK'S PROGRAM

Michael Hicks from Temple Wildcat mentorship program visited this week. What a wonderful program with all kinds of opportunities to positively impact 4th and 5th graders in our area. Mentors meet with their mentees two times monthly for a 30 minute lunch visit. The program also hosts three community events annually. It was great to hear how this TFLC supported organization is working in our community.

Prayers for Dr. Alan Xenakis who is pending diagnostics.

Isaiah 43:2

When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze.
