TSTI became TSTC in 1991 when it started offering AA degrees. TSTC has 4 campi and several satellite centers with a total enrollment of 12,000, 4000 are on the Waco campus. It offers AA degrees or Certificates of Completion in Mfg & Engineering, Information Technologies, Transportation, & Aviation. TSTC has AA degrees or Certificates in over 100+ areas of study. The focus is on "hands on learning". There are 44,000 TSTC graduates, 90% of whom are employed!! The largest demand is for welders (sign up O.L.). The largest growth is in Mfg & Engineering. Currently, TSTC is 1 of 3 finalist for funding of an Air Traffic Control program. The cost of a 2 year AA degree at TSTC is \$6500, 4 times greater than "for profit" schools.
