-THIS WEEK IN HISTORY:

1941 - *The Great Gildersleeve*, a spin-off of *Fibber McGee and Molly*, started on NBC radio.

1981 - The 30-year contract between 'Mr. Television', **Milton Berle, and NBC-TV expired**. Uncle Miltie had received \$6 million for NOT being on the air since his show, *The Texaco Star Theatre*, went off the air in the mid-1950s. NBC held Berle to the contract to keep him from appearing on competing networks.

-THIS WEEK'S PROGRAM!

Lion Ray Harper introduced Bob Arris with Safe Kids. Safe Kids USA is a nationwide network of organizations working to prevent unintentional childhood injury, the leading cause of death and disability for children ages 1 to 14. Their Vision is to become the recognized advocate for prevention of injury to our children in the greater central Texas area. Mission: SKMT is dedicated to the prevention of childhood injury through education, advocacy, enforcement and environmental changes. The more than 600 coalitions and chapters in 49 states bring together health and safety experts, educators, corporations, foundations, governments and volunteers to educate and protect families. Safe Kids Mid-Texas is involved in several efforts, child passenger safety, poison safety, water safety, and their annual Bike Rodeo. They instruct kids on bike safety and proper usage of protective gear. Sun Country Bikes are also there to help with repairs as needed. From donations Safe Kids Mid-Texas also give away 20 to 30 bikes to needy kids.

At this past Rodeo event, volunteers from our club cooked 600 hotdogs and received recognition and a certificate for their participation.

The next Bike Rodeo will be taken over by Chief Gary Smith and the Temple Police Dept.

Today was Ladies Day, and our Tail Twisters had a quite a surprise for the ladies. In two groups of six the men went behind a screen and took off their shoes and sox. The Ladies came by one at a time and picked their husband. On the first go round Laura White successfully chose Kevin Dusek. The second round of six was able to select their own spouses. The ladies received a commemorative bottle of wine for participating.

Thanks to all the Ladies for visiting today.
