**SAY WHAT???** You know you're getting older when a fortune teller offers to read your face!!

**THIS WEEK'S PROGRAM:** Lion Past Pres. White introduced TC Basketball Coach Kirby. Coach played for the Temple Wildcats and attended college at TTU. He returned to Temple to coach Temple High. He has been in the coaching business for 33 years, 23 of those at TC. Next semester, he will register his 600<sup>th</sup> victory!!! His players change every 2 years, but his winning system of fast paced, upbeat, full court press, remains the same. His teams have won 8 national scoring championships. They hold the national scoring record—173 pts. in one game!!! 4 years ago, the TC team went 30-0 for the season. They have been in the regional tournament for 15 years. For the past 3 years the winner of our regional tournament has advanced to the national tournament, and last year our tournament winner won the national championship. From last year's team, 4 players went on to play for 4 year universities. Most years, at least 1 or 2 players advance to the next level.

Conference play begins Jan. 6. The team is young, with only 3 returning players. The inside players this year are 6'8" & 6'7", and the guards are 6'3", 6'2" and 6'1". Coach says this is a small team comparatively speaking. The team is currently 6-3 in non-conference play. They already have one signature win over South Plains College who was ranked #10 at the time.

Tickets are not expensive. The games are entertaining and upbeat. A number of kid and family oriented activities are a part of the fun. You can win tee shirts or free meals at Chic-Fil-A or Fudrucker's. Chic-Fil-A has been helping out for 16 years!! Community colleges have no built in audiences so they need community support. Come on out!! Enjoy the fun!! Thanks Lion Past Pres White & Coach Kirby!
