Please keep the family of **Lion George White** and especially **Laura White** in your thoughts and prayers as they mourn the passing of her mother, Martha Cole

Lion Amy Castillo and **Michelle Fettig** and the Christmas Float committee did a great job and many thanks to the Lions who braved the elements and participated in the parade.

There will be a **“Wildcat Cleanup”** on Sat. Dec. 13 from 7:30am to 1:30pm. Breakfast and lunch will be served. A signup sheet was and will be passed around.

Brochures for the Lions Junction Family Water Park commemorative brick campaign are available. 28 bricks have been sold. Please make every effort to let friends and family know about this offer. It is a lasting legacy not only for Lions, but for individuals whose names will be on these bricks.

THIS WEEKS PROGRAM

We were honored with the presence of **Betsy** and **Meg Chamlee**, daughters of the late **Lion Ann “Sapphire” Chamlee**, the first female member of the Temple Founder Lions Club. Meg and Betsy paid tribute to their mother in a very entertaining and heart-warming fashion. Her love for music, her passion for teaching, and her contributions to Lions and the community will be remembered always.

We were also treated to a wonderful mini-concert performed by **Encore**, an all female choral group from Temple High and under the direction of **Asst. Dir. Tonya Ellis**. They were accompanied on the keyboard by the lovely and talented **Dawna Mistchian**. Songs performed include *White Christmas*, *Nothing for Christmas*, *The Christmas Song*, and *Merry Christmas Polka*. Encore ended their part by singing *The Lions Song*, which I think few of us knew existed before this week.

Also in attendance was the Temple College Show Choir, under the direction of Mr. Roy Phinney and accompanied by Wayne Bachus. Musical pieces included: *Silver Bells*; *Have Yourself a Merry Little Christmas*; *What Child is This*, *Jesus*; *What a Wonderful Child!* (pretty swingin' tune), and *We Wish You a Merry Christmas*.

Today we were reminded, like so many times this year, why it is so great to be a Lion.
