Nate Self is a returning speaker who told us the story of his involvement in Robert's Ridge also known as the Battle of Takur Ghar. This harrowing story highlights the bravery and sacrifice of Nate and other service-members.

However, he also used the story as a demonstration of how we all must be willing to ask for and accept help from others—activate your strobe.

It was a great program and you should take a few minutes to familiarize yourself with Robert's Ridge and his book.

You definitely don't want to miss next weeks noon meeting—it's at 12:00pm, in case you weren't sure...on Wednesday....at Gober Party House. Michael and Angela Mahler will be singing Christmas Songs and there may be prizes as well! If you haven't been in a while, we miss you and want to see you back. Please join us so we can wish all Lions a VERY MERRY CHRISTMAS!
