THIS WEEK'S PROGRAM

Our very own Lion John Fisher gave us an interesting program discussing introductory principles to be more vigilant in public places. He discussed some of the concepts important in staying safe and avoiding harm in active shooter situations. Unfortunately this is becoming more and more of a real concern in today's day and age. I can't wait for John to receive his certification and launch his website. He invited anyone interested in a more in depth lesson on these concepts to contact him.

Congratulations to John Fisher who not only gave the program , but also won the tail twister pot.

Romans 8:10

But if Christ is in you, then even though your body is subject to death because of sin, the Spirit gives life because of righteousness.
