What Happened at the Meeting

Sarah Boggan, Yoga instructor at the CAC, visited our club and spoke of the benefits of yoga and health.

Sarah has practiced yoga since she was 13 years old. She practiced regularly for 7 years at The Iyengar Yoga Association of Greater New York.

Yoga is an old discipline from

India. It is both spiritual and physical. Yoga uses breathing techniques, exercise and meditation. It claims to improve health and happiness. Yoga is the Sanskrit word for *union*.

A person doing yoga will move from one posture (called asana) to another. For example, the "sun-salutation" contains 12 poses of asanas, one after the other, and is said to help balance body and soul. For more info: <http://cacarts.org/yoga-wellness>

We will continue to collect stuffed animals through January 2017.

Did you know the word "Christmas" means "Mass of Christ", later shortened to "Christ-Mass". The even shorter form "Xmas" - first used in Europe in the 1500's is derived from the Greek alphabet, in which X is the first letter of Christ's name: Xristos, therefor "X-mass".
