#### THIS WEEKS PROGRAM

Lion Past Presidents and writers of this years show Gary Gosney and George White, gave us an overview of their 27<sup>th</sup> collaboration.

Lions Follies, as you know unless your last name is Mistchian, will be at the CAC this year. We won't have the help of THS students this year but are in good hands with the CAC Technical Director. He/she is going to project our rears, or something like that. We will kick things off with a surprise award presentation to Lion President J. Brown by a representative from Lions International. The show will be hosted by Master and Mistress of ceremonies Lions Allan Lueck and Amy Castillo.

The show will provide a variety of entertainment and will feature some really top-notch talent such as Dave Fette's daughter Elizabeth Fette, Jesse Ybarbo and Jazz Works, Susan Gosney, and Thumper Gosney. Lions sharing their talents include John Mistchian and Jim Hunter as the Self Righteous Brothers; Jamey Secrest, TA Cook, John Mistchian and Lion non-grata Guy Fowler as Buddy Holly and the Crickets; and Lion OL Petty as the oldest stand up comic. Other musical skits include the Beech Boys from East Bell County, Dancing with the Stars, and a Cooler Stomp. There will be cameo appearances by Mayor Bill Jones and Temple Police Chief Gary Smith. Our humorous skits include a Billy Mays infomercial, a Thurlow D. Pig interview, a blind date pantomime, The Honeymooners, City Council Skit, and of course, News Wrong Six. Sam Farrow will close out the show as only he can do by talking about Lions' service to the community and leading us in *God Bless America*. Most importantly, we need to acknowledge the tireless effort of Lions 1<sup>st</sup> VP Ray Harper in producing this show; Lions Randy and Carol Sepulvado for their generous donation of time and resources in soliciting and obtaining over \$11,000 worth of prizes and auction items, not to mention tons of candy. They are a true asset to our club. Hats off to Lion Dave Fette for coordinating advertising efforts, printing of the program, and set construction. Thanks to Pres J. Brown and all the Lions who usher, sell candy, and otherwise make this all happen in a challenging year.
