TODAY'S PROGRAM: Jason Mak & Madisson Delgado—True Harvest

Who knew there was so much in producing lettuce? They have 18 acres since 2017 and over 2000 plants and go through 5,000 gallons of water per month. Water is recycled daily. They do not use pesticides of any kind. Field Trips are always fun for the kids. True Harvest is big into hiring adults with disabilities.

Reverse Raffle is this weekend Lions. Thank you for getting ALL tickets sold BEFORE the event and money collected and turned in. It is much appreciated. It will be all hands on deck Friday night to set up and Saturday during the Reverse Raffle. Please wear your awesome TFLC vests on Saturday night.

Welcome new members John & Audra.
