**-THIS WEEK'S PROGRAM:** Lion 3<sup>rd</sup> VP Glenn intro'ed Lion James Waldrop. Lion Waldrop is the Director of Texas Lion's Camp, Kerrville TX

To summarize the entire program—TLC at TLC (Tender Loving Care at Texas Lion's Camp). Our Camp (it belongs to all TX Lions) provides the opportunity for all kids, regardless of ability or condition. The "CAN DO ATTITUDE" permeates the Camp, Campers, & Counselors!! The unofficial motto is "Every Child is Entitled to a Happy Childhood!". Our Club is a 200% Club, meaning that instead of \$10 dollars a member, we contribute \$20 a member (your dues at work). The Camp originally served mainly childhood victims of polio. After we conquered that devastating disease, the Camp expanded to serve children with almost any physical or emotional challenge. We now have two sessions of the Camp devoted to kids with diabetes. These Camps, as all the others, are staffed with a high counselor to camper ratio. The diabetes camps are fully medically covered by all volunteer medical staff. Each section of the Camps can serve 300+ kids, offering a wide variety of activities which would never be available to these children without TLC. Wall climbing, zip lining, swimming, horseback riding, cookouts, bonfires, spirit rallies, etc. If you haven't been to the Camp to watch the fun the campers have, you have missed a very inspirational opportunity. Several Lions Clubs provided special activities during the camping experience. Every year our Club puts on a hamburger cookout. Our day this year is 6/25. Last year was the first year my wife and I participated.... WE ARE HOOKED!!

**THANKS LION GLENN AND LION WALDROP FOR "TLC AT TLC".**
