Here Is What Happened...

UMHB CRUSADERS

HEAD COACH

PETE FREDENBURG

Season Record: Overall 14 — 1

Thank you to Mayor Covington for inviting UMHB Crusaders head Coach Pete Fredenburg as our program today.

"There was a tremendous amount of pressure coming off of winning the National Championship last year..."

"Winning 14 games this season was an incredible accomplishment,"

Coach Fredenburg spoke briefly about this year's Stagg Bowl where the Cru fell to Mount Union 12-0. It was UMHB's first loss since December 2015, which unfortunately broke their 29-game winning streak. It was a tuff defeat not only because of the loss of a National Championship, but it was also the final game for 13 seniors.

UMHB is the highest ranked American Southwest Conference program in this year's fall standings, and is ranked the 22nd athletic program in division III.

"...you take away your own ego and do what's best for the program, best for your team, and best for the university ... and that makes our program kind of special."

People Who Make a Difference In Our Lives

Here's an interesting quiz that will really make you think. You don't have to actually answer the questions. Just ponder on them straight through, and you'll get the point.

1. Name the five wealthiest people in the world.
2. Name the last five Heisman trophy winners.
3. Name the last five winners of the Miss America pageant.
4. Name ten people who have won the Nobel or Pulitzer Prize.
5. Name the last half dozen Academy Award winners for the best actor and actress.
6. Name the last decade's worth of World Series winners.

How did you do?

The point is, none of us remembers the headliners of yesterday. These are NO second-rate achievers. They are the best in their fields.

But the applause dies...Awards tarnish...Achievements are forgotten.

Accolades and certificates are buried with their owners.

See how you do on this one:

1. List a few teachers who aided your journey through school.
2. Name three friends who have held you through a difficult time.
3. Name five people who have taught you something worthwhile.
4. Think of a few people who have made you feel appreciated and special.
5. Think of five people you enjoy spending time with.

The lesson...

The people who make a difference in your life are not the ones with the most credentials, the most money, or the most awards. They simply are the ones who care the most.

TRASH OR TREASURES
Mr. John Perry presented an interesting program on autograph collecting, titled "Trash or Treasures". Mr. Perry is the commander of the local camp of the Sons of the Confederate Veterans and his hobby is collecting Civil War autographs. All autographs have different values depending on who it is, whether it is just a cut-out signature or a letter or a type of document and the contents of the document or letter. Mr. Perry, the assistant marketing director of the Scott and White Health Plan, warns that you should look carefully before purchasing an autograph because of the forgeries and fakes that are on the market. Thanks to Lion Sing'n Sam Farrow for arranging and introducing the program. Lion Sam told me afterwards that I may not realize it, but my wife's autograph has a value and I will be billed for the over-draft this month.

NEXT WEEK- ALZHEIMER'S SUPPORT GROUP
Ms. Betty Decker and Ms. Hilda Hower of Temple Alzheimer's Family Support Group will be speaking to us on behalf of their group. Lion Dr. Mike Morse has arranged this program and will introduce the speakers.
