➤ TODAY'S LIONS PROGRAM

A big Lion Roar to the folks at Bell County Blaze Youth Sports for the work they are doing in our community. Their Board of Directors joined us for lunch last week and shared their passion for the organization that supports youth Sports and Cheerleading with emphasis on instilling community service.

Approximately 150 local children participate in basketball, football, and cheerleading each season. The goal of Blaze is to make youth sports a fun experience, while imparting a passion for sports by development of physical, emotional and social growth in our community youth. They also strive to implant the value of community service with numerous events throughout the year which benefits our local charities.

Bell County Blaze Youth Sports is comprised of 100% volunteers who have dedicated countless hours to mentoring, teaching, and encouraging constructive behavior. Utilizing positive reinforcement to build the community kids self-esteem, dedication, and individualism. Their goal is to minimize registration cost so they are able to serve as many of our youth as possible. They rely on the support of local businesses, local leaders, and service organizations to cover equipment and operating expenses. Sponsors receive exclusive exposure to our community that attends Bell County Blaze games and events.
