Today we had Rick Fleming, Jackie McLaughlin and Jennifer Smith come to speak with us about the upcoming Bell County Youth Fair, which will be held from Feb. 2-9th at the Bell County Expo Center in conjunction with the Bell County PRCA Rodeo. We will once again be providing hamburgers for the youth participants and their families on Tue. Feb 5th.

The Bell County PRCA Rodeo is currently in its 32nd year of continuous operation at the Bell County Expo Center. This year's rodeo will be held on Feb. 8-9, 2019 and all of the net proceeds from

the Rodeo go to the youth fair board for distribution to the youth of Bell County.

In addition to point money provided by the Youth Fair Board, the Rodeo supports scholarships for qualifying students across Bell County. Last year, the Bell County Youth Fair awarded over \$25,000 in scholarships to local area youth. These "life-changing" awards are the result of endless hours of planning and work by many volunteers who truly care about the youth of Bell County and strive to both teach and preserve the western culture that so dominates the landscape of the great State of Texas.
