THIS WEEK'S PROGRAM

Jewel Hale and Park ranger Cassy from the corps of engineers at Belton lake talked to us. They explained many of the functions that the corps of engineers is responsible for at Belton and Stillhouse Hollow lakes. It's good to know that we have responsible young women like this to keep our lakes healthy and safe. Just in case anyone didn't catch it, George, they are responsible for managing 136 miles of shoreline at Belton lake.

Congratulations to Deb who won the tail twisters pot!

Romans 12:1-2

Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God- this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is-his good, pleasing, and perfect will.
