### ➤ TODAY'S LIONS PROGRAM

Thank you to Boss Lion Jamey for introducing us to April LaValley with the Girl Scouts of Central Texas.

April expressed to us that Girl Scouts is the premier leadership organization for girls and a great way to aid in their growth and development. Their promise is "On my honor, I will try to serve God and my country, to help people at all times, and to live by the Girl Scout Law". Their Law is "I will do my best to be a honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do. I will respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout".

The Girl Scouts always need volunteers...and that's means for an hour a month, a week, or a day! There are flexible ways to participate. You can spend a day mentoring a girl, an afternoon lending a hand at one of their program centers, or even a weekend helping out with an event. The possibilities are endless; the time commitment is totally us to you. Central Texas has 200 girls currently backlogged for their 8 troops because there are not enough leaders. Thankfully, all volunteers must pass a background check before they are allowed to influence our girls.

The Girl Scout Cookie Program is their number one fundraiser and develops 5 skills that they use throughout their lives:

- 1) Goal Setting
- 2) Decision Making
- 3) Money Management
- 4) People Skills
- 5) Business Ethics

They believe that this opportunity builds girls of courage, confidence and character, who make the world a better place.

What's your favorite Girl Scout Cookie? Have you helped our youth today? Have you bought from a Girl Scout yet?

Please remember there is a waiting list for young girls. Volunteers are desperately needed, so visit [www.gsctx.org](http://www.gsctx.org) or April [aprill@gsctx.org](mailto:aprill@gsctx.org) to connect today. You will be glad that you did ☺.
