### TODAY'S PROGRAM

It was an honor to have Sergeant Washko of the TX DPS highway patrol explain the importance of the move over or slow down law. The presentation was filled with graphic real world footage of what can happen when drivers aren't paying attention. Many thanks to all of the peace officers out there risking their lives to keep us safe!

Sharing my story to others is completely free. I will never ask for money to share it. Driving intoxicated changes lives. It's priceless if only one life has been saved from telling it.

A great Lion was honored today as the Melvin Jones Fellow award was given to Elwood Smith, accepted by his son, lion Dennis Smith.
