- 8/07: Dennis Arwood & Lauren Ballard
- 8/14: George White & Mike Hamby
- 8/21: Robert White & Bev Sperling

Today, the TFLC met at the new Temple Chamber of Commerce building for our weekly noon lunch meeting. The Temple Chamber of Commerce President and CEO, Rod Henry, spoke to the club about Santa Fe Plaza and provided a tour of the building that comprises the Chamber of Commerce and Work-

force Solutions of Central Texas. Workforce Solutions offers a large computer lab space for those individuals needing a computer station to run job searches, work on formatting their resume, applying for job positions, as well as a more private area for those needing individualized job search counseling. Workforce Solutions of Central Texas not only offers services for job seekers, but also specific services to businesses for

meeting their human resource needs; services for working, low-income families so they can have affordable childcare; specialized young adult services for those aged 16-24 years; and services for veterans to ensure they receive the quality job search assistance they deserve. After the Chamber of Commerce and Workforce Solutions tour, we were greeted by Temple I.S.D. Superintendent Dr. Bobby Ott who led us across the Plaza for a thorough tour of the new T.I.S.D. Administration Building. The new building allows for all T.I.S.D. administration to be centralized and housed in one location, which was previously spread over three buildings across Temple. The first floor of the administration building houses the offices of the Superintendent, Human Resources, Financials, and the Temple Education Foundation. The second floor includes the board room for the T.I.S.D. School Board meetings, as well as various training rooms with state-of-the-art technology! One of the highlights of the administration building was the T.I.S.D. memorabilia on the second floor...from the first Temple football jersey all the way to student art from the Spring of 2019! Thank you Temple Chamber of Commerce, Workforce Solutions of Central Texas, and Temple I.S.D. for the wonderful facility tour and program!
