What happened at the Meeting

Kathryn Hermans and Ellen Burrett (pictured L-R) are founding members of the Temple Children's Museum and spoke to our club today.

The Temple Children's Museum is a museum without walls traveling throughout Bell County. Exhibits will encourage

hands on learning and exploration in the areas of science, technology, engineering, arts and mathematics.

The Temple Children's Museum's mission is to create a community which sparks the creativity and curiosity of young children through hands on learning and interactive play.

Here, kids are working with spin art and are learning about centrifugal forces and color combinations.

For more information go to:

www.templechildrensmuseum.org or email templechildrensmuseum@gmail.com.
