## What happened at the Meeting

**Kayla Cehand, BSN, RN, CPN, CPST, the Trauma and Injury Prevention Coordinator spoke to our club today.**

Kayla informed us of the many programs currently working whose goal is injury prevention. Among those are: Safe Kids Nationwide, RED Classes,

Shattered Dreams, Safe Sitter Classes, Community Education on Safe Sleep and Abusive Head Trauma Prevention, Child Passenger Safety (Car Seat Fitting Stations), Kids in Hot Cars Education and Advocacy Group Education.

Different months during the year are singled out for a special focus. April is child Abuse Prevention Month: Stand Up Against Child Abuse and Foster Care Conference. May is our Bicycle Rodeo and Safe Kids Day. Your TFLC under the leadership of Lion John Rude participate in the Bicycle Rodeo each year. September is National Buckle Up Week hosting a car seat fitting station at Don Ringler. November helps to prepare for holiday travel with another car seat fitting station.

**District Governor Glenn Brandt bids farewell.**

It is a very special thing to have a Temple Founder Lion serve as the District 2X3 District Governor. DG Glenn said it was a great year and he was honored to have the chance to serve.

## A Word of Thanks

Every July 1st there is a changing of the guard in Lionism. And so it is this year as well. The Temple Founder Lions have a 100 year tradition of Club Presidents that have brought us energy, vision and leadership. Lion Boss Randy Sepulvado has been all of that and more. Lion Randy has also shown us a passion to serve in what he calls *Servant Leadership*. Lion Randy has been an amazing President and a great example of the Lions Motto: We Serve!

*Thank you for your service Lion Randy!*
