#### ANNOUNCEMENTS

Golf tournament was held this weekend. We had forty players and the weather was great. Thanks to **Lion Michelle Fettig, Lion Mike Washam, Lion Leonard Pate, Lion Alicia Dunn**, and especially **Lions Randy and Carol Sepulvado and Lion Neil Graeff**. Barring a surprise invoice from Sammons, we made about \$5400. not bad for an “off” year. If we don't get an invoice we will make considerably more...but don't tell anyone. Thank you to all the Lions who played, sponsored, and did both. Thank you Lion Dennis Jupe for single-handedly bringing twelve players. Special thanks to Lion Tex Burrows for generous prizes and to McLanes for prizes and goodie bag items.

We need to solicit donations for bricks for Lions Junction. Bricks will be installed soon so if you have not done so, please order yours.

We had several drawings for the pot which is about \$300 but Mike Washam only drew a heart (\$5)... too bad, so sad, have a seat. We all live to draw another day.

Regarding our noon Club meals:

It was a club (board) decisions to forego desert offerings in exchange for fewer casseroles and additional side items (i.e. salad, vegetable, etc.). We did this to maximize quality. I was under the impression that members were pleased with the changes. Please direct suggestions regarding foodservice to the club board members and not to our caterers. Due to drop in attendance, we have gone to a 40 meal minimum.

#### GUESTS

David Hill was the guest of Lion David Jennings  
**Scott Motsinger** was the guest of Lion Alicia Dunn  
Both are prospective members

#### GREETERS

**May 13** – Lion Cave Wann will single-handedly greet every Lion.

**May 20** – Lions Gary Jones and Reuben “on rye” Marek

#### BIRTHDAYS

No birthdays. Must have been some good shows on TV in September.

#### UPCOMING MEAL

**May 13** – Kolache Kitchen – hamburger steak w/ brown gravy, buttered new potatoes, tossed salad, rolls

**May 20** – Susan's – meatloaf, mashed potatoes, green beans, salad, rolls

#### THIS WEEKS PROGRAM

Our program was a no-show so we killed a lot of time acting like third graders and drawing for money that continues to elude us.

Perhaps some quotes:

#### **On Being Positive**

“Nobody ever got rich on a doomsday theory”

•J. Paul Getty (1892-1976)

“What has been is what will be, and what has been done is what will be done, and there is nothing new under the sun.”

•Ecclesiastes, 1:9

#### **Take Care of Your Music**

“I can remember coming to New York to make or break in jazz and saying to myself, Now how should I attack this practical problem of becoming a jazz musician, as making a living and so on? And, ultimately I came to the conclusion that all I must do is take care of the music, even if I do it in a closet. And if I really do that, then somebody's going to come and open the door of the closet and say, hey, we're looking for you.”

- Bill Evans (1929-1980)
