TFLC Parks & Charities Board

The board considered our affiliation with Texas Charitable Bingo. Unfortunately, we felt it necessary to discontinue our relationship and allow our license to expire.

Our program this week was Nina Mendoza the Shelter Coordinator for Families in Crises. They are a non-profit organization that provides many survivors of family / houses, supports, and empowers people experiencing family violence, sexual violence, and homelessness. FIC provides intervention and crisis services through a 24-Hour emergency shelter. The shelter is able to assist residents

in obtaining housing, employment, skills-training, financial assistance, and legal advocacy for victims of abuse and their children. Over the years, FIC has helped Veterans & their families with rental assistance and provided many survivors of family / sexual violence with an opportunity to start over with transitional housing.
