**WORD FOR THE WEEK: Peculation**

\*\* definition below

**SOME FACTS ABOUT WHAT THEY SAID:**

--Patrick Henry- "I regret I have but one life to lose (not give) for my country.

--Abraham Lincoln- He did not use the word "forefathers", but rather said "Four score and seven years ago our "fathers" brought forth on this continent a new nation.....".

**START THINKING ABOUT IT!!** Annual Lions show in Feb. Planning is already underway.

**THIS WEEK'S PROGRAM:** Lion Past Pres. J. Brown introduced us to Brig. General Pete Atkinson, Deputy Commander III Corp, Ft. Hood. He is a member of the Canadian Military presently assigned to Ft. Hood. Among his duties

is the training of troops about to be deployed, something he has done for 33 years. He was assisted by CaptRusty Morris & SgtPatrick May. Both having served tours in Iraq. BG Atkinson spoke briefly of the memorial service on Ft.Hood and how such services are an important part of the healing process. This service was very hard as it did not result from action in a combat area.

BG Atkinson gave us info on Remembrance Day which is Canada's version of Veterans' Day. At 11 a.m. on 11/11, all Canadians stop and observe 2 minutes of silence.

Currently, Canada has 480+ troops stationed in the US in 33 states & 60 locations. Canada has been a significant partner in the War on Terror since 911. It has deployed troops to the Persian Gulf, Iraq & Afghanistan. Over 500K military & Nat'l Guard soldiers have been involved with 500+ killed. Canada is a part of the joint opera-

tions to train Iraqi and Afghan military & gov't personnel & and build an infrastructure. Since 1950, Canada has been a partner in NORAD, protecting both our borders in the North against all air and/or naval intruders.

Units of the Canadian military also patrol in the Artic where temperatures reach 50 below and wind chills of 100 degrees below zero. Eskimo tribes work side by side with the military, using both dog sleds and snowmobiles.

Thanks Lion Brown, BG Atkinson, Cpt. Morris and Sgt May!!! "FREEDOM IS NOT FREE." Thank you Past Pres White for leading the Club in GOD BLESS AMERICA.
