**Coach Craig McMurtry**

**Temple College AD and Head Baseball Coach**

**Coach Mac was our guest speaker this week. He regaled us with tales of Nolan Ryan's lingerie purchases and fearing Bo Jackson was going to punch his head into the 2nd deck. There was serious debate as to whether Boss Lion Southerland gave up 3 homers in one game to the notoriously poor hitting pitcher, but that discussion was tabled. The best deal in town: you can watch any TC sporting event absolutely free. Just ask Coach Mac to put you on the list ;)**

Boss Lion Southerland and 1VP Craig Caddell present a \$1,000 check from the Temple Founder Lions Club to contribute to the building of a Boys and Girls Club in Uvalde.
