THIS WEEK'S PROGRAM

Dan Elder, a 26 year Army NCO veteran, came to inform us about the Bell county historical comission. He gave us a brief rundown on the history of the original inhabitants and settlers of Bell county. Prior to European lineage migrants coming to our area, it had originally been colonized by the Tonkawa and Comanche Native American tribes as early as 8000BC.

We gained a new member, Lion Steve. Greentree, welcome to the club! Lion Mike Landry got his real badge. Past president lion Gary Gosney was awarded for distinguished service, and received a standing ovation.

Lion Jack McChurch updated the club that the classic car show raised approximately ten thousand dollars.

Romans 8:28

For we know that in all things God works for the good of those who love him, who have been called according to his purpose.
