THIS WEEK'S PROGRAM

We had the pleasure of meeting Candace Johnson, founder of Feathered Fork Farms. Based out of Lott, TX, Candace and her husband Bo established Feathered Fork Farms in 2022. They raise poultry, pork, and beef on their 30 acre farm. All of their animals are antibiotic and hormone free, and USDA and state inspected. It was really great to see this young couple making a living through offering high quality farm to table meats and canned goods.

The tail-twister pot was won by none other than Lion Dennis Smith. Congratulations Dennis.

Romans 8:31-33

What, then, shall we say in response to these things? If God is for us, who can be against us? He who did not spare his own Son, but gave him up for us all-how will he not also, along with him, graciously give us all things? Who will bring any charge against those whom God has chosen? It is God who justifies.
