What Happened at the Meeting

Patty Benoit, spoke today about the Texas State Historical Marker Program.

As one of the most visible programs of the Texas Historical Commission (THC), historical markers commemorate diverse topics in Texas history, including: the history and architec-

ture of houses, commercial and public buildings, religious congregations, and military sites: events that changed the course of local and state history; and individuals who have made lasting contributions to our state, community organizations, and businesses.

Historical markers can be found in all 254 Texas counties. Age, significance, and architectural requirements govern the eligibility of topics and sites when applying for either a subject marker, Historic Texas Cemetery marker, or a Recorded Texas Historic Landmark marker.

With Lions Club International and your Temple Founder Lions Club both celebrating 100 years of service to our community, we are applying for a Historical Marker.
