cell phone rings during the mtg, if your hair is not combed (saves me) or if they are just in a nasty mood. Fine will be 50cents!

WORD FOR THE WEEK: Nattering

** definition below

Smokey Bear- Most forest fires are not caused by careless campers but by lightening!

Did you know? The role of *Dirty Harry* was turned down by Frank Sinatra, John Wayne, & Paul Newman before Clinton Eastwood accepted it!

Keep in mind-You can't change yesterday, but you can screw up today by worrying about tomorrow!

START THINKING ABOUT IT!! Annual Lions show in Feb. Planning is already underway.

THIS WEEK'S PROGRAM: Lion President Ray introduced Bob Arris, local Chairman for the Safe Kids project. Bob is realtor, retired military man, member of Temple South Rotary Club, & for 49 years has been a member of Elks Lodge. In his career as a TISD administrator, he established the TISD transportation system. At the time, Temple was the only 5A school without one. He & his wife (now deceased) were married 41 years. Bob is the Pres. of Safe Kids Mid-TX Coalition which is sponsor by S&W, as they are one of only a few Level 1 Trauma Centers. Safe Kids is a program designed to reduce unintentional injuries to children. It teams with local Police & Fire Depts to provide information and equipment to aid in the prevention of accidental injuries. There are 600 Chapters in the US, 16 in TX, & Chapters in 17 foreign countries. Education, Advocacy and Prevention are the key objectives. Safe Kids has 9 member board which meets monthly at CTCOG in Belton. There are no dues or fees. Safe Kids is looking for 10 sponsors from Civic groups & businesses. We have been invited to be the sole Civic Club. Next month, Safe Kids will have its 1st anniversary. Safe Kids has already sponsored a Walk This Way project, life vests for children boaters, children's car seats, gun locks program. It is working on a major fund raiser in Feb '10. Website- Smart Kids. Com. Thanks Lion Ray and Rotarian Bob.

** - Grumbling, fault-finding, idle chatter
