WORD FOR THE WEEK: Rebarbative ** definition below

Think about this:

-The more you complain, the longer God will make you live.

If you are going through Hell, keep on going! Hard work must have killed someone!!! Opportunity is missed by most because it is dressed in overalls and looks like work!

THIS WEEK'S PROGRAM: The Club's newest Lion Ricky Crowe intro'ed THS Athletic Director & Wildcat Head Coach Munson who in turn intro'ed members of his coaching staff and the 2009 **TEMPLE WILDCATS (BIG OLE BOYS!!!)**. Offensive line is somewhat small, only averages 260lbs per man! This is Coach Munson's 4th year at the helm. He assured us that the "bat problem" would be solved as Batman and Robin are on the job (you had to be there). Coach was hired as a THS assistant coach in 1995 by Coach McQueen (also at the noon meeting). Coach Munson kids call Coach McQueen, their "grandpa". He had been an all star h.s. player in Utah & played college ball at BYU. Coach Munson left THS for a short winning stint at Lockhart, before returning to WILDCAT land. When opponents walk into WILDCAT STADIUM, with its fans in their full glory, "they are already 7 points behind". The WILDCATS are 11-2 in District playoffs for the past two years. All District teams are talented, but the WILDCATS have "effort, heart and intensity on the field". ESPN has negotiated a contract to telecast the Temple-Belton game on Oct. 29. Just prior to today's program, CBS contacted Coach Munson to negotiate a program on THS football "**BLUE FRONT/WHITE BACK MAGIC**"!!! Thanks Lion Crowe, Coach Munson, your staff and all the **WILDCATS!!!**

**Rebarbative- grim, unattractive, forbidding
