Chris Del Conte

University of Texas Athletic Director

If you weren't there today, you missed a great program. And we all know a Lion's second favorite pastime is complaining about the programs (second only to root-beer consumption).

Chris Del Conte spoke about all things college athletics and all things Longhorn—just like Craig, HBD on the 26th.

Del Conte's response when asked how much he cared about A&M being upset that OU and UT are going to rain on A&M's SEC mediocrity.

If you are EVER going ANYWHERE, and this is your "Welcome Party" - go somewhere else.
