THIS WEEKS PROGRAM

Every year we are fortunate enough to have Mr. Tim Campbell, Artistic Director of the Temple Civic Theater, come and discuss the upcoming season and give us a taste of an upcoming production. Tim was introduced by Lion Jim Hunter who is now the Assistant Technical Director at TCT. The TCT is one of a few cultural pearls in this community and there are many talented people from this area that make it possible. Tim introduced the cast of Stephen Schwartz' *Godspell* and musician David Perez-Guerra who performed two numbers, *Save the People* and *By My Side* (sung by our own Lion Regina Baird). *Godspell* will be showing on Oct. 16 -18 and 22-25. Future productions this season include: *Trying, I Love You; You're Perfect, Now Change; California Suite; The Matchmaker; and Lilies of the Field*. TCT just finished presenting *Arkansas Bear*, its first production of the youth season. *The Jungal Book* will be performed Feb. 26 – 28. There are many options for season ticket purchasers and open public auctions are held for each of TCT's main productions. Persons interested are encouraged to check the *Footlights* newsletter or the TCT website at www.artstemple.com for further information. As always, great program.
