TODAY'S PROGRAM:

Drayton McLane

DML was in the house. It was encouraging to hear him speak so high-

ly of our organization and the fact that we continue to meet and fellowship and raise money for good, local, charitable causes. As he pointed out—it's good for our health!

3 Rules he puts in place with his managers:

- 1) Don't do anything immoral or illegal
- 2) Don't bet the farm
- 3) If the deal is going south, make sure you can extricate yourself

Er'body congratulate Lil' Jimmy Hightower for winning the tail-twister pot at club today. If you had been there, it could have been you. Anyone that needs a loan or wants to sell some girl-scout cookies—go so Jim.
