**TODAY'S PROGRAM: Lake Belton
Yacht Club Commodore Michael
Pilgrim**

Today we had a real life Commodore (no not Lionel Richie) at the meeting. Yes you heard me right. Michael was explaining the difference between sailing & yachting. Currently they have 37 members and the cost to join and get all the perks is \$250 per year. They have a fleet of 41 boats. Club activities include Racing, Training, Charters, Social & Youth. He said technically when you are sailing you are "flying" so you need to have the knowledge to be safe on the water. Safety first. His favorite saying is "We can't direct the wind, but we can adjust the sails."
