Today, the Temple Founder Lions Club hosted the fightin' 2019/2020 Temple Wildcat football team. Just as in years past, the Wildcats arrived in their blue and white game jerseys and took up two-thirds of the room.

Also in attendance were the team trainers and coaches. Joining the local football team were legendary coaches Marcine Cottle and Bob McQueen. Marcine Cottle coached Bob McQueen at Temple High and celebrated his 96<sup>th</sup> birthday last week. "God" Bob McQueen led the Cats to two state championships in his 28-year tenure at THS and exited in 2000 with an impressive 243-77-7 record. He had 24 winning seasons, won 14 district titles, and made the playoffs an amazing 18 times! McQueen led the Wildcats to the State title game three times. After a brief introduction of Coach Cottle by McQueen, acting head coach Scott Stewart gave a quick pep talk and then introduced every player by name, class, and position. Coach Stewart noted that although the offense has some seasoned veterans, the defense will be young and inexperienced this year. In fact, 17 of the 22 defensive players graduated last year. However, Coach Stewart is very optimistic about his defense and is confident that they will hold the line as good as any other defense in the district. The meeting ended with an inspirational speech by Coach McQueen in which he told the young players that hard work was the key to success and that the winning would take care of itself. The Cats start their season on August 30th in Cedar Ridge followed by their first home game on September 6th against Nuevo Leon (Monterrey, Mexico). Go Cats!!
