Benny Walsh president of the local NAACP President and leader for Cub & Boy Scout Troop Unit 716 came to speak with us today. Troop Unit 716 is geared towards minorities because fees, uniforms, patches and camps all cost money. Benny brought a Boy Scout, Landon (12 years old), with him.

Dr. Battershell asked him to go to a Boy Scout meeting to see what it is all about and after attending the meeting he decided to resurrect Unit 716. The number came from Lonzo Wallace former Temple Fire Chief. This is for Cub Scout (17 Boys) and Boy Scout Troops (7 Boys). Both groups meet twice a month.

Drayton Mclane invited both groups to visit their warehouse to teach about how the warehouse works, visited the huge freezer and also Walmart Distribution.

Landon spoke and said he enjoys Boy Scouts because he gets to go on adventures and meet new people.

They are going on a fishing trip and will have a contest for most fish caught.
