What happened at the Meeting

Randy Sanders, owner of the Centex Cavalry visited our Club meeting to tell us about the new professional indoor football team playing at the Bell County Expo Center.

In August of 2016, the

Champions Indoor Football (CIF) brand announced that Belton Texas would be awarded a league franchise. The first game will be March 4, 2017 against the Dallas Marshals in Mesquite, TX.

The major goal for the team in year one will be an unending commitment to putting a family friendly product on the field and in the community.

The CIF consist of northern and southern divisions. The northern teams are 2016 champion Wichita, Omaha, Bloomington, Sioux City, Chicago and Salina. The southern teams include Allen TX, Amarillo, Dodge City, Duke City NM and Mesquite.

Did you know ? - Valentine's Day.

Did you know that the roots of St. Valentine's Day can be traced back to the Roman fertility festival of Lupercalia? On Lupercalia, a young man would draw the name of a young woman in a lottery and would then keep the woman as a intimate companion for the year.

In the Middle Ages, young men and women drew names from a bowl to see who their valentines would be. They would wear these names on their sleeves for one week. Today, to wear your heart on your sleeve means being transparent with your affections.
