Mike Hemker City of Temple Parks

February 9, 2022

The City of Temple offers a lively line-up of events throughout the year. The Special Events Team promotes community and fellowship by organizing and hosting inclusive and accessible events, creating opportunities to showcase culture and diversity, and encourages a sense of belonging to improve resident's quality of life, and invites visitors to Discover Temple. They take pride in our production of fun, family-friendly events while entertaining, celebrating, and building a foundation of community and togetherness. The Special Events Team currently organizes over 25 events in the City throughout the year. Whether it's a concert in the park, an explosive 4th of July Celebration, the Bloomin' Temple Festival, or the Annual Christmas Parade, there is always another fun, unique event just around the corner!
