This Week's Program

Pete Fredenburg, UMHB Football Coach

Coach Fredenburg came and talked to us for the 18th time. He said they are getting ready to start his 19th season as head coach of the UMHB football team and is very excited about next year's team. This year he had an intern to help with recruiting. Josh Gonzales was the intern and coach said it was just like a big time program having a full time recruiter on staff. He said he thinks they have addressed some gaps in both the offensive and defensive lines and has some key skill players coming back. So, look for the season tickets to go on sale soon and get yours this year.
