TODAY'S PROGRAM:

Ralph Kehle

Ralph shared much of his personal passion and research into global warming—fact v. fiction. He also enjoys still-shots of Southpark characters.

Next week is going to be an awesome program at Panda Power. You have to enter via Lorraine Avenue off the Loop by the chalkboard place. If you haven't RSVP'd for lunch, let Boss Lion Southerland know ASAP.

So thankful to see John Michigan at club again this week. He must have car-pooled with Motz.
