Today, Bob Holloway, Executive Director of the Belton Christian Youth Center (BCYC) spoke to our club. He talked about the organization and the programs they offer. The mission of BCYC is to provide care and promote Christian values through education and recreation to enhance the potential of all youth. The program strives to provide families a place where they feel safe, welcomed, and loved. They offer an after-school program to students of Belton ISD and Nolan Creek Charter School

for kindergarten through 5th grade. BCYC believes that when kids are surrounded by loving and caring staff members, they can learn the skills they need to be successful. Their prayer is for every child that comes to BCYC to know they are loved and cared for each time they are there. The BCYC sports programs are designed to provide children with the opportunity to experience sports in a structured, nourishing environment. The sports program includes basketball (ages 5-13), soccer (ages 4-13), flag football (ages 4-13), and volleyball (ages 8-13). Thank you, Bob, for speaking to TFLC!

During the meeting today, TFLC also awarded the top 4 Peace Poster Contest Winners.
