Here Is What Happened...

Lt. Tim Simeroth was our guest Speaker today at the luncheon. Tim has been a Temple Police Officer for over 30 years. He has served in various departments from Narcotics, Traffic and as a K9 Officer. Tim spoke of how the Temple Community really appreciates the TPD and how he appreciates the Community for all the support that they give to him and the

Temple Police Department.

Lt. Simeroth had some funny stories about foot chases and arrests that he has seen in his 30 years and how you never know what will happen next.

Also, today marked the very first meeting with our new President Michael Washam.
