## What happened at the Meeting

**RWYC Executive Director, Andrew Lambert**

The new Executive Director for the Ralph Wilson Youth Club visited TFLC today! He's a local guy who grew up in the Youth Club, was a Junior Counselor and also served on the Board of Directors. Andrew Lambert was a natural choice for the position.

He dropped by to tell us about all of the cool things going on at the new facility. The club is focused on academics, fine arts, athletics and recreation. Kiddos ages 5-14 attend the club during summer break as well as after school during the school year. They participate in daily field trips, do arts and crafts and get tutoring in various subjects. During the summer, there are also various classes like cheerleading, kickboxing, football, gymnastics, swimming, cooking and much more!

With the growth that is occurring at the club, they need "Club Champions". Multiple scholarships are available, ranging from individual to corporate levels. They can always use volunteers and in-kind donations such as snack foods, drinks and supplies. You can also give a one-time monetary gift. 100% of the donations received go directly to serve the kids at the Ralph Wilson Youth Club.

## Note from the Editor

The "Broadcaster Baton" has been passed, or thrown, at me for this coming year! I caught it like a boss and am truly excited about the upcoming experience. I want to thank everyone in advance for putting up with me and my silly antics as I am sure there will be many! And just know, it is against every journalistic rule that I have ever been taught, but I LOVE exclamation points so much!!!! And as you know, I also LOVE selfies. You will for sure see a few. Got an idea for the Broadcaster?...keep it to yourself! Just kidding...Actually, I'm just an email away. Send it over me and it just might be considered for placement!!
