TODAY'S PROGRAM

CTLC - Tom Henderson

CTLC is an ecumenical organization of churches working with the support of area business and social service groups to meet basic human needs on a temporary and/or emergency basis. The staff is composed entirely of volunteers who assist almost 300 families per week. We embrace all ethnic and age groups and, as of December 2018, we have over 21,000 clients on file that have received aid of some kind.

The organization was founded in June 1994 by a group of 7 churches to serve the community of Temple. In 2000, the organization acquired permanent facilities located at 702 West Avenue G in Temple, TX. It is presently supported by over 30 area churches and numerous business and social service organizations and serves all rural areas within east Bell Co.
