This Week's Program

Ed Toufar Operations and Maintenance

Mgr. PANDA TEMPLE POWER, LLC

Was our speaker today and it was somewhat technical, but, a very good program. It is the most efficient power plant in the country. Benefits; clean economical power, provides a market for Texas natural gas, increase the tax revenue, and support community activities. Great program Cindy and David.

Lion Spotlight of the Week

Mike Washam

Joined the club in 2006. Sponsor is Henry Jezek. I've been the Executive Secretary for the past 3+ years. Served on the Golf Tournament Committee for the past 5 years, including co-chair for 3 years. Served on Park Board for the past 3 years (maybe more). Most of my favorite Lions Club memories are from Lions Club Show Green Room, umm I mean Lions Club Show performances.
