JULY 25, 2018 LUNCH PROGRAM-GUESTS

Betti Gardner, Dee Kerr & Shannon Myers
All Guests of Lion President Shannon Gowan

Lion President Gowan and Past President Digaetano presented a \$2,500 check to TEF Representative Shannon Myers at our July 25th lunch meeting.

Peggy Cervera and Jessica Szeto from Guide Dogs of Texas came to our lunch meeting to inform us about what they have to offer.

Peggy Cervera, Director of Development: Peggy decided she wanted to work in Human Services, so she found a place at Guide Dogs of Texas where she could help Texans who are visually impaired. She has been with Guide Dogs of Texas for over a year now and has done immense work in fundraising and marketing in just her first year.

Jessica Szeto, Outreach and Volunteer Manager Jessica came from working in news to a career of human services at Guide Dogs of Texas. She has been here over a year, and loves that she gets to help people and work with dogs at the same time.

Guide Dogs of Texas is a non-profit organization that increases freedom, mobility, and independence for Texans who are visually impaired with Guide Dogs that we raise and train. We are committed to personalized service and life-long dedication to our clients and their guide dogs. They say that a dog is man's best friend, but at Guide Dogs of Texas our highly-trained, service dogs are more than just that – they're the "eyes" for countless, visually impaired Texans, as well as their loving and constant companions, providing them with the freedom, mobility and independence to go about their daily lives.

From the moment they are born, our puppies are groomed to be future guide dogs that will be paired with their new owners, who without a guide dog might not enjoy the freedom and independence they desire.

We would like to thank Peggy, Jessica and Izzie for coming to speak with us.
